Terms & Conditions

1. Due to the nature of the printing process, images chosen by the customer may vary in shade or colour format from that of the original proof or sample.
2. Vertical blind prints may not align completely when blinds are closed.
3. Images printed onto blinds are best viewed from a distance of 2 meters or more to experience the full effect.
4. All images for logo blinds and photo blinds are to be supplied in the highest resolution possible.
 - a. All images must be 1mb or more for logos and images from the Internet
 - b. We are not responsible for blurred or poor images supplied by the customer when blinds are printed.
 - c. No refund or credit will be considered when customers own image is supplied and the blinds are complete.
5. A surcharge price for artwork is levied for all custom made blinds; for photo blinds and logo blinds. (Please contact our Queries or Orders Departments for updated charges)
6. We will not be held responsible for any copyright infringement what so ever for images supplied by customers
7. Logo and photo blinds orders will only be processed upon confirmation of a signed proof by customer
8. Delivery Period is as follows :
 - a. Printed Blind Catalogue : 7 – 10 working days
 - b. Logo and photo blind orders : 12 to 14 days
9. Lost or damaged vertical slats can be replaced by quoting the numbered slats needed to be reprinted. Re-printing for lost or damaged slats will vary in shade and colour from that of original blind.
Prices on request only.
10. Printed blinds should be periodically cleaned, either with a vacuum cleaner or by wiping with a damp cloth in mild detergent.
11. Landscape images cannot be used for portrait sized windows due to prints becoming distorted.

Please Note:
Landscape image
will not fit into
Portrait window
opening

Portrait Window
